Santa Monica, California

25X1A

Dear [REDACTED]

I was sorry to miss yet another URSI meeting, especially here in Washington. Despite your encouragement, my new boss turns out to be a touch master.

The enclosed URSI bulletins came to me and have been read. Rather than file them, I thought you might like to pass them on to other members of the Commission.

25X1A

Sincerely,

[REDACTED]  
Albert D. Wheelon
